The Mark Of Excellence

An ISO : 9001- 2015 Company

An ISO-9001-2015 Company.
Manufacturer of Different Types Of Submersible Pumpsets

SAGA WINDEL SUBMERSIBLE PUMP SETS are manufactured as per IS : 8034 with strict quality control for efficient & reliable operation for years

FOLLOWING ARE SOME OF THE SPECIAL FEATURES.

- (1) All components are manufactured from material as per Indian Standard Specifications. They are precisely machined on modern machines, including CNC machines to give you reliable operation for years
- (2) Motors are designed to operate under large voltage fluctuations.
- (3) Motor have well designed Bearing sleeve and thrust bearings for longer life.
- (4) Motor stator & Rotor are vacuum Varnish impregnated and coated with epoxy/ powder coating to ensure corrosion resistance.
- (5) High operating efficiencies of pumpset result into high water discharge and lower power consumption.
- (6) All rotating components and assemblies are dynamically balance to ensure long bearing life and vibration free (smooth) operation.
- (7) The pump sets are compact and slim and can be easily installed in crooked wells.

FIELD OF APPLICATION

- (1) Irrigation
- (2) Drinking water supply installation for cities and rural area.
- (3) Fully automatic domestic supply installations.
- (4) Water supply installation for industry and commerce
- (5) Cooling water circulating systems.
- (6) Air-conditioning installations.
- (7) Mining drainage.
- (8) Fountains.

ADVANTAGES OF "SAGA WINDEL" SUBMERSIBLE PUMP

- (1) Requires small space.
- (2) No need for elaborate foundation and pump house arrangement.
- (3) Noiseless motor.
- (4) Economy in operation owing to high overall efficiency can be installed in difficult sites in crooked boreholes or in confined conditions.
- (5) Pumping system can be made fully automatic.
- (6) Complete freedom from maintenance (Water Lubricated water cooled motor, glandless pump shaft)
- (7) No suction problems (installation beneath water surface)
- (8) Can be installed Horizontal also.
- (9) V6 ISI MODELS - 273 SET
- (10) V6 STAR MODELS - 26 SET
- (11) V4 ISI MODELS - 199 SET
- (12) V4 STAR MODELS - 48 SET

Manufactured By :

SAGA WINDEL PUMPS PVT. LTD.

Khodiya Estate, Opp. Reliance Petrol Pump,
Memco-Bapunagr Road, Naroda, Ahmedabad-382345.
